Section 1 The Officers of the Committee shall be a Chairperson and Vice  
Chairperson shall rotate duties. One person from each jurisdiction shall fill the  
respective Officer position. The slate of officers shall be filled from four  
individuals. Pittsylvania County shall have two and the City of Danville shall have

carried to approve the Minutes of December 10, 2015 with correction.

Mr. Davis advised that Tier II Reports are still coming in at this time.

Chief Eagle discussed that the City has gone to a virtual EOC format. It is where  
the participants can share information, decisions, and resources without being
