Blackstock stated the County has allowed the building to fall into disrepair and this building has a special place and is of historical nature. This is a way out for the County and for the building to be preserved for the betterment of the community. Mr. Farmer asked about parking and if there is additional parking to support community/public events. Mr. Sari stated parking could be an issue, but they are attempting to work in additional parking in the future if there seems to be a big issue. Mr. Davis stated he likes the fact the soccer league can still use the Facility.

Wayne Robertson, Chatham-Blairs District, spoke against the rezoning and sale of this property. He stated his concerns about the schools being full and when things happen at Berry Hill the County will need another school. He requested the Board put this item off and reconsider. Edward Hairston, Tunstall District, stated that the school has a lot of sentimental value to him, and he would like to keep the building preserved. He thinks it would be a good representation of our schools and community.

No one else signed up to speak and Mr. Davis closed the Public Hearing at 7:50 PM.

Mr. Barber also stated that he has been on this Board for fifteen (15) years and he could not think of a better use of the building.

Motion to rezone 14.89 acres from A-1, Agricultural District, to RMF, Residential Multi-Family District (to renovate the old Blairs School into apartments).

UNFINISHED BUSINESS

NEW BUSINESS

a. Approval of Documents for the Potential Disposition of Old Blairs Middle School Property and Related Documents (Staff Contact: Richard N. Hicks)

County Staff has been working with the Landmark Group, a North Carolina development firm, on the future redevelopment of the Old Blairs Middle School Property (also formerly Southside High School; the “Property”) into apartments (55-units). Following the successful rezoning of the Property, County Staff recommends the potential donation of the Property to the Landmark Group.

Motion to authorize the County Administrator, or his designee, to commence the potential donation of the Property to the Landmark Group by executing, or causing the execution by the Board, of the following documents as presented: (1) Donation Agreement; (2) Revitalization Resolution; (3) Zoning Certification Letter; (4) Locality CEO Letter; and (5) An Ordinance to Partially Exempt Real Estate Taxation for the Property Proposed to be known as Southside Lofts, Located in Pittsylvania County, Virginia, by Local Designation.

b. Approval of Emergency Generator Operations Agreement (Staff Contact: Richard N. Hicks)

County Staff was contacted by NRG Curtailment Services, Inc. (“NCS”), about a Demand Response Program through the PJM Interconnection for the County’s region. PJM Interconnection is a Regional Transmission Organization (“RTO”) that coordinates the movement of wholesale electricity in the following states: Delaware, Illinois, Indiana, Kentucky, Maryland, Michigan, New Jersey, North Carolina, Ohio, Pennsylvania, Tennessee, Virginia, West Virginia, and the District of Columbia. The RTO is regulated by the Federal Energy Regulatory Commission.

**Board of Supervisors
March 12, 2019
Business Meeting**

NCS is offering a Program that would utilize some of the County's emergency generators in the event of an emergency within the RTO territory. In the event of an emergency, NCS could call for the County's generators to operate for up to ten (10) hours within a given day. The Program has been in operation for five (5) years, and to date, there have been no calls for the emergency generators to operate. By enrolling in the Program, the County would be paid once per year, even if the generators are not called upon. There is a requirement that the generators be tested once per year at a specific time, to insure their operation.

County Staff would propose enrolling the generators at the Courthouse, Jail, and the 911 Center, for a total of 333 kilowatts. Based on this load, over a three (3)-year period, the County would be paid somewhere within the range of \$26,520 to \$35,360. For your review and consideration, attached please find a copy of NCS' Proposal and a revenue estimate.

Mr. Scarce asked about a set rate if it were used more than the one (1) hour and Mr. Farmer asked if there was an emergency situation and the County were in use of the generator, would it make a difference. Mr. Hicks stated that the rate would be the same no matter the circumstance.

Motion to authorize the County Administrator to execute the attached agreement with NCS as presented.

**c. Award of Engineering Contracts for Ringgold Trail and Ringgold Railroad Repairs
(Staff Contact: Richard N. Hicks)**

The County was recently declared a Federal Disaster Area due to damages of the recent tropical storm. Significant damage was identified at the Ringgold Walking Trail and the Ringgold Railroad, both owned by the County. Based on the Federal Declaration, the Federal Government will pay 75% of the recovery costs, the State will pay 20%, leaving the County responsible for 5% of the total cost. County Staff has met with FEMA representatives and the County is ready to proceed with the development of plans and specifications for the necessary repairs to both areas.

Dewberry has provided a Proposal for the engineering work on the Ringgold Walking trail at a cost of \$150,336, and a Proposal for similar Ringgold Railroad work at a cost of \$13,680. The Agreements are proposed as additions to an existing On-Call Agreement with the Western Piedmont Planning District Commission, which allows for local governments within the region to participate under this Agreement; thereby, satisfying State Procurement law.

Motion to authorize the County Administrator to execute the attached Agreements with Dewberry as presented.

e. Legislative Committee Recommendations - Fire & EMS

At the March 7, 2019, Legislative Committee (“LC”) Meeting, the LC received a report from Christopher C. Slep, Public Safety Director, regarding the Ad Hoc Committee’s work on the new Public Safety Ordinance. Slep and Supervisor Searce updated the LC on many items proposed and suggested that the final draft would likely be available for Board adoption at its May Business Meeting. After discussion, Supervisor Searce, seconded by Supervisor Barber, moved that the proposed Fire and Rescue Commission be comprised of no more than nine (9) members, by eliminating the EMS-only and Law Enforcement Members specified in the attached proposed draft, and that the Board retain authority to appoint any and all citizen appointees to the proposed Commission. Said recommendation to the full Board was passed by the LC unanimously.

Motion that the proposed Fire and Rescue Commission be comprised of no more than nine (9) members, by eliminating the EMS-only and Law Enforcement Members specified in the attached proposed draft, and that the Board retain authority to appoint the citizen appointees to the Commission.

Pittsylvania County Board of Supervisors

March 12, 2019

Chairman Davis:

I would like to extend my apologies to you and the entire Board and the citizens of Pittsylvania County for my absence at tonight's meeting. I had made plans to be out of town 14 months ago prior to my knowledge of the necessity to change the date of our regular meeting.

I take my responsibilities to serve the citizens of Pittsylvania County very seriously not only attending Board meetings but other committee meetings.

Again, I extend my apologies to everyone.

Sincerely yours,

Robert W. Warren
