A prorated exemption is provided for the portion of the taxable year during which the taxpayer qualified for such exemption.

6. Prorated Exemption upon death of qualifying individual.

Notwithstanding Section 6-6(5) herein, a change in ownership or a nonqualifying individual, when such change resulted solely from the death of the qualifying individual, or a sale of such property shall result in a prorated exemption for the then current taxable year. Such prorated portion shall be determined by multiplying the amount of the exemption by a fraction wherein the number of the complete months of the year such property was properly eligible for such exemption is the numerator and the number twelve (12) is the denominator. The proceeds of the sale which would result in the prorated exemption shall not be included in the computation of net worth or income required by Section 6-6(3) herein.

7. Certification to the Treasurer.

The Commissioner of Revenue shall certify to the Treasurer of Pittsylvania County, Virginia, annually those persons who qualify under this article for an exemption and the amount thereof. The Treasurer shall deduct the amount of exemption from the applicant's real estate tax for that year.

8. Penalty.

Any person who knowingly gives false information to support a claim for an exemption under this article, or any person who willfully fails to notify the Commissioner of Revenue or other designated officer of changes in conditions which would result in a reduction or termination of the exemption. When the Commissioner of Revenue who made the erroneous assessment has been succeeded by another person, such person shall have the same authority as the Commissioner making the original erroneous assessment provided he makes diligent investigation to determine that the original

assessment was erroneously made and certifies thereto to the Treasurer and to the local governing body.

No refund shall be made in any case when application therefore was made more than three (3) years after the last day of the tax year for which such taxes were assessed.

In the event the Commissioner of Revenue makes a determination that such erroneous assessment has adverse financial impact on the annual budgetary process of the County, the Commissioner shall promptly notify the Board of Supervisors of such erroneous assessment and its affect on County finances.

REFUND OF LOCAL TAXES ASSESSED AND PAID IN ERROR.

Further, in the event the Commissioner determines that such erroneous assessment of taxes has been collected by the Treasurer and that a refund of such taxes should be authorized and such refund of erroneously paid taxes shall have an adverse affect on County finances, the Commissioner shall so advise the Board and request its advice and guidance in authorizing such refunds to be made by the Treasurer.

This Ordinance shall be effective immediately upon its adoption.
